

Top 10 Reasons

Patients Choose Stoll Orthodontics

1 Voted #1 (Last 14 Years in a Row)

Dr Stoll was voted by dentists as one of Colorado's Top Orthodontists for the past 14 years consecutively in 5280 Magazine.

2 Board Certified: American Board of Orthodontists. Only board certified orthodontist in: Thornton, Westminster, Broomfield and Northglenn.

Dr Stoll is a Board Certified Orthodontist with the American Board of Orthodontists, for the past 14 years. Very few Orthodontists in Colorado are Board Certified.

3 Platinum Invisalign Provider

Dr Stoll is a Platinum Invisalign Provider, one of the highest levels for Invisalign cases and expertise.

4 Non-Invasive Treatment

Dr Stoll is an expert at using growth modification to create broad, full-smiles while not extracting teeth. While some orthodontists still recommend extracting healthy permanent teeth, Dr Stoll uses cutting-edge technology and techniques to make room and preserve all of the permanent teeth.

5 Experienced and Friendly Staff

Dr Stoll's friendly, knowledgeable staff team has over 50 years combined orthodontic experience and is passionate about your orthodontic care and experience!

6 Flexible Financing

At Stoll Orthodontics, we offer flexible financing terms and never want finances to stand in the way of creating life-changing smiles for our patients.

7 Treating our Patients Like Family

At Stoll Orthodontics, our Passion is to Create Life Changing Smiles while providing 5-Star Service and Exceptional Experience for all of our patients.

8 Safe, Cutting-Edge Technology

Dr Stoll uses the highest technology available in orthodontics, including the 3D Itero Scanner (no more messy impressions for Invisalign!), as well as a 3D ICAT Xray Machine, which dramatically reduces radiation exposure while providing significantly more information for Dr Stoll to evaluate and use in treatment. He also uses the Pitts 21 Bracket System and Invisalign, 2 of the best and most efficient orthodontic treatment modalities.

9 Schulman Orthodontic Study Group & Pitts Progressive Study Group

Dr Stoll is a member of 2 of the best orthodontic study groups in the world. Through the Schulman and Pitts Progressive Study Groups, Dr Stoll is able to collaborate on the most innovative ideas and concepts in orthodontics with the top orthodontists in the world.

10 Fun Games, Contests and Prizes

Stoll Orthodontics wants every patient experience to be fun and rewarding. We have the Smile Rewards and Kids Club Programs, as well as our Lambkins Club, to help make the orthodontic journey as fun and enjoyable as possible.
